

BRACARA SIDEBOARD BR 1021

The Bracara Sideboard, a piece that combines traditional craftsmanship and contemporary design, conveys a solid and classy appearance with a touch of playfulness. The design and craftsmanship underlines the warm and natural feeling of the oak wood, with a mid-century inspiration. Traditional knowledge and artisanal techniques are used to join the wood. Fitted with soft close system for a gentle automatic closure of the doors. Feet at removable for easy transportation and can be easily be clicked back into place.

Available in different modular combinations.
