## DESCRIPTION

From the legend born in the depths of Sherwood Forest, ROBIN Mirror embodies the strength and character of noble ages, giving them a modern approach. By honoring the history of one of the best archers in English literature, this wall mirror was given a strong visual texture through the use of handmade nails, each one unique in its finishing, size and character. The fish-eye mirror is supported by a brass structure that turns ROBIN into one of the most emblematic pieces of the entire collection.
