JULIUS CANED ARMCHAIR

Price: From 4.578 (VAT inc.)

Brand: Duistt

DESCRIPTION

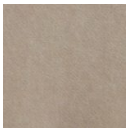

The JULIUS Caned Armchair, crafted with meticulous attention to detail, blends clean, modern lines with the timeless appeal of traditional craftsmanship. Its solid wood structure gently embraces the upholstered seat, while the natural cane webbing on the backrest adds texture, lightness, and a handcrafted character to the piece. This natural cane element not only enhances the visual delicacy of the design but also pays homage to classic furniture-making techniques reinterpreted through a contemporary lens. Constructed with a webbed seat and back and high-density foam for optimal comfort, the JULIUS Caned Armchair offers a refined balance between tradition and modernity. Custom sizes and materials are available. handmade in Portugal.
